

Zero Emission Pulley System Model 750LS

Why Choose a Hawkeye Zero Emission Sour Pulley System?

- ▶ **Ease of Installation** makes Hawkeye's grease-filled pulley system a smart choice for tank manufacturers
- ▶ The **Pressurized Grease System** outperforms other grease filled pulley systems with less maintenance, making it a smart choice for your customers
- ▶ The **Hawkeye Name** is known for quality, reliability and performance, and we stand behind our products just like you.
