

LEVEL INDICATION | COMPONENTS

GRADUATED GAUGE BOARDS

Features

- Used to measure volume or height in conjunction with a Hawkeye indicator.
- Extruded aluminum construction with durable clear anodized finish.
- Ship in 8-10 ft modular segments for ease of shipping.
- Pre-installed segment connector splices make for easy installation.
- Available from 4 ft to 80 ft, in 1 ft increments, standard.
- UV-Resistant Graduation Markings.
- Common graduations stocked for quick delivery.

FEATURES

Quantifies Tank Level

- Ruler-like markings, or graduations, along the length of the gauge board provide a readout of tank volume in conjunction with a Hawkeye indicator, float, and gauge head.

Extruded Aluminum

- Graduated gauge boards are made from 1/8" thick extruded aluminum with durable anodized finish for long life span.
- No sharp edges for safe handling, unlike sheet metal alternatives.

Modular and Segmented

- Gauge boards ship in 8 or 10 ft segmented modules, for ease of shipping and handling, with a pre-installed splice and fasteners for easy assembly on site.
- Graduated gauge boards are available standard in 1 ft increments from 4 to 80 ft. Smaller increments available.

Graduation Markings

- Standard markings report volume in cubic metres [m³].
- UV-resistant blue vinyl graduation markings or blue screen print enamel markings[†] standard.
- Other colours are available for vinyl markings, and custom colour transitions are available to indicate internal structures or minimum fill levels, for example.
- Custom graduations available, with minimum distance between ticks of 2.4".

Common stock and near stock configurations

- Stock and near stock configurations have blue markings with standard volume resolution of 1 m³.

Height	Volume	Height	Volume
6 ft	8 m ³	16 ft	80 m ³ †, 160 m ³
8 ft	13 m ³ , 16 m ³ , 40 m ³ †	20 ft	64 m ³
10 ft	16 m ³ , 32 m ³	24 ft	120 m ³ †, 160 m ³
12 ft	24 m ³	32 ft	160 m ³ †, 320 m ³

[†] Screen printed gauge boards

ORDERING INFORMATION

Hawkeye graduated gauge boards are best ordered as part of a complete level indication system, which also includes:

- » Gauge Head
- » Indicator
- » Float and Guides

Standalone Graduated Gauge Boards

Contact your Hawkeye sales rep directly to order a standalone graduated gauge board.
